SUBJECT: NOTIFICATION OF SUBRECIPIENT AWARD APPROVAL
Fiscal Year (FY) 2018 Homeland Security Grant Program (HSGP)
Grant Subaward #2018-0054, Cal OES ID# 001-00000
Grant Subaward Performance Period: September 1, 2018, to May 31, 2021

Dear Sheriff Ahern:

The California Governor's Office of Emergency Services (Cal OES) approved your FY 2018 HSGP award in the amount of \$1,721,986. Once your completed application is received and approved, you may request reimbursement of eligible Grant Subaward expenditures using the Cal OES Financial Management Forms Workbook available at <https://www.caloes.ca.gov/>.

During the review process, a Cal OES Program Representative will examine and evaluate your FY 2018 HSGP Grant Subaward application. Throughout the Grant Subaward cycle, Cal OES will use performance milestones set in the Department of Homeland Security/Federal Emergency Management Agency Grants Reporting Tool (GRT) as indicators of performance and grant management capacity and this information may be used in assessing future competitive Grant Subaward applications. All activities funded with this Grant Subaward must be completed within the Subrecipient performance period.

You are required to comply with all applicable federal, state, and local Environmental Planning and Historic Preservation (EHP) requirements. Additionally, Aviation/Watercraft requests, Establish/Enhance Emergency Operations Center projects, projects requiring EHP review, and noncompetitive procurement requests require additional approvals from Cal OES. Subrecipients must obtain written approval for these activities prior to incurring any costs, in order to be reimbursed for any related costs under this Grant Subaward. Subrecipients are also required to obtain a performance bond prior to the purchase of any equipment item over \$250,000, including any aviation

or watercraft financed with homeland security dollars. Performance bonds must be submitted to your Program Representative no later than the time of reimbursement.

Following acceptance of this Grant Subaward, you must enter your Grant Subaward information into the GRT for the Biannual Strategy Implementation Report (BSIR) period. The GRT can be accessed online at <https://www.reporting.odp.dhs.gov/>. Your agency must prepare and submit the BSIR to Cal OES via the GRT semi-annually for the duration of the Grant Subaward performance period or until you complete all activities and the Grant Subaward is formally closed. Failure to submit required reports could result in Grant Subaward reduction, suspension, or termination.

This Grant Subaward is subject to all provisions of 2 CFR Part 200, Subpart F – Audit Requirements. Any funds received in excess of current needs, approved amounts, or those found owed as a result of a final review or audit, must be refunded to the State within 30 days upon receipt of an invoice from Cal OES.

Your dated signature is required on this letter. Please sign and return the original to your Cal OES Program Representative within 20 days of receipt and keep a copy for your files. For further assistance, please feel free to contact your Cal OES Program Representative.

Sincerely,

MARK S. GHILARDUCCI
